

JANA AYYAD

Computer Science Student

PERSONAL DETAILS

Location:
Tripoli, Lebanon

Phone:
+961 71974007

Email:
j.ayyad26@gmail.com

LinkedIn:
jana-ayyad-089721397

GitHub:
janaayyad26-code

TECHNICAL SKILLS

Programming:
Java, JavaScript, PHP

Web Dev:
HTML, CSS, JavaScript, PHP

Databases:
SQL, SQL Server, Design, Queries

Data Structures:
Arrays, Linked Lists, Queues, Stacks, BST

Tools:
VS Code, Git, GitHub, MS Office

LANGUAGES

Arabic: Native
English: Fluent
French: Good Working Proficiency

SOFT SKILLS

Problem-Solving • Critical Thinking • Teamwork • Communication • Time Management • Adaptability

INTERESTS

Web Development • AI • Cybersecurity • Databases • Data Structures & Algorithms

PROFESSIONAL SUMMARY

Motivated Computer Science student at Beirut Arab University with a strong interest in technology and continuous learning. Developing hands-on knowledge in programming, web development, databases, data structures, and computer science fundamentals through academic coursework and practical projects. Dedicated and adaptable learner with strong problem-solving and teamwork skills, eager to apply academic knowledge to real-world challenges.

ACADEMIC PROJECTS

InsurePro
Software Engineering Project

- Developed a software project focused on an insurance management concept.
- Applied software engineering principles throughout system design and development.
- Analyzed requirements and organized core system functionality.

Luxora — Online Store Website
HTML | CSS | JavaScript

- Developed a responsive online store website using HTML, CSS, and JavaScript.
- Structured web pages focusing on usability and visual organization.
- Implemented interactive UI components using JavaScript.
